## Activities

Have a go at some of the activities to help your child continue their learning at home.

### Autumn Walk

Encourage your child to enjoy the outdoors by going on a woodland walk to help them prepare for Forest School. Maybe have fun splashing in puddles!

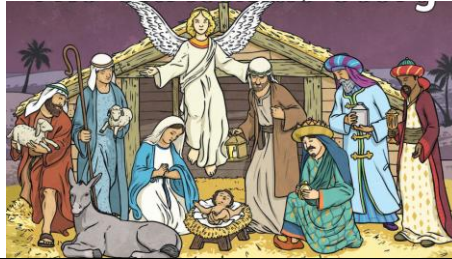

### Autumn Collection!

On your walk, collect as many different coloured leaves as you can. Talk about their colour, size and have a go at sorting them.

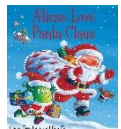

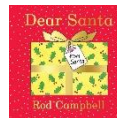

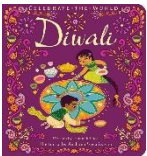

### Retelling a Story

Encourage your child to retell you the nativity story.

At nursery, we are reading these books to link with our topic. You can borrow these books from the local library or watch them on Youtube.

## Walbrook Homework Challenge!

Take a photo of your child making an autumn collage.

Then send a photo to: [admin@peartreei.derby.sch.uk](mailto:admin@peartreei.derby.sch.uk) for your child to have a chance to see their family photo on our Wall of Fame!
