

supporting parents and
children to learn together

Ready for School Peep Derby City Children's Centres

A 6-week virtual programme that values and supports your role as your child's first educator and provides ideas to support your child's development.

For parent's/carers of children aged 3- 4 years who are starting school in the next school year.

You will receive an information pack, video links for each session and an end of programme follow up call with a Peep practitioner.

Becoming a writer

Thinking about...
how you can help
your child start to
become a writer.
