

Peep Toddler & Pre-school Derby City Children's Centres

A 6-week virtual programme that values and supports your role as your child's first educator and provides fun ideas to support your child's development through everyday routines.

You will receive an information pack, video links for each session and a weekly follow up call with a Peep practitioner.

Making the most of food and mealtimes **peep**

Thinking about...

how buying, making and eating food together supports your child's language, learning and development.
