

Win one of two £50 Love2shop vouchers

What childcare for 4 to 11 year olds do you use and need?

The Families Information Service want parents and carers to tell them about the childcare for children in Primary school they use now and may need in the future.

Take the survey and be in with a chance to win one of two £50 Love2shop vouchers: letstalk.derby.gov.uk/4-11-childcare-needs-survey-2026 or scan the QR Code.

The findings will be used to manage the childcare market and support its future development so that childcare in the city meets families' needs.

Survey closes on **Friday 10 July**.

For more information or a paper copy, please contact the Families Information Service on **01332 640758** or email fis@derby.gov.uk
